

Calvin Howard takes state roadeo honors in backhoe

The first statewide Equipment Roadeo in several years was held at Kentucky Speedway the first week in October. District 12 winners competed with their counterparts from the other eleven districts throughout the state. Calvin Howard of Martin County Maintenance (photo at right) was District 12's only winner, placing second overall in the Backhoe Competition. Congratulations, Calvin!

In addition to competitors, District 12 was represented by "pit crew members" Darold Slone, Joe Stanley, Tarnell Patton, Jerry Todd, Ricky Slone, and Bud Akers.
